Touch Dimming Remote Controller

2.4GHz wireless transmission, Brightness Adjustable
Control distance 30m

The image shows a black, circular touch dimming remote controller with 'ON' and 'OFF' buttons and a 'Mi·Light' logo. To the right, a modern living room is shown with a white sofa and a lamp. Text overlays describe the remote's features: '2.4GHz wireless transmission, Brightness Adjustable' and 'Control distance 30m'. Two icons, a Wi-Fi symbol labeled '2.4G' and a light symbol, are also present.

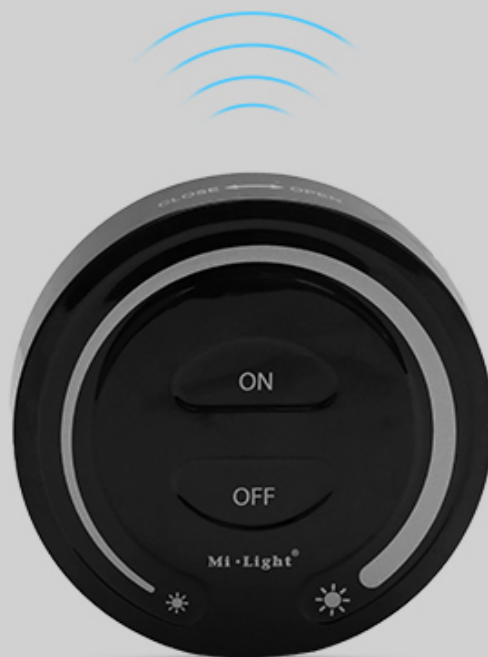

Brightness Adjustable

Adjust the brightness according to your different using requirements,
give the light you want.

2.4G wireless transmitting Control distance 30m

Adopt 2.4G wireless transmitting technology, with strong anti-interference,
long distance transmission; Control distance 30m; easier operation

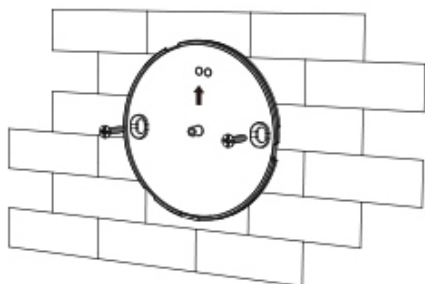

Night light mode, take care of your family

Long press OFF button to Night light mode, convenient for the night.
Convenient for getting up in dark night

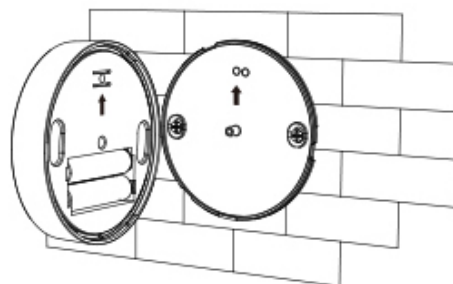

Installation / Dismantlement

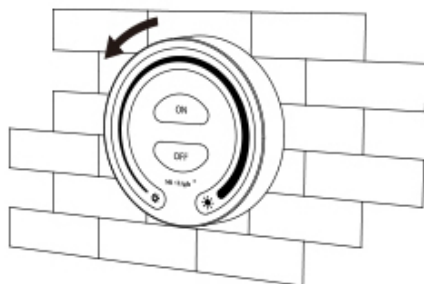

1. Install the remote to the selected place; Keep the two screw on the same level; Install it with arrow up.

2. Install battery(AAA battery•2pcs), then fix it on the base.

3. Press downward and rotate to the left to fix it.

- Dismantling: Rotate to the right, then pluck it down.**
